Progressive Deadlines for 2006

Articles for inclusion can be left at the Lilydale Pharmacy or e-mailed to lily_progressive@yahoo.com.au by the following dates:

- July 21st
- August 25th
- September 22nd
- October 27th
- November 24th

Come and meet Mayor Ivan Dean

Mayor Dean will be guest speaker at our Lilydale District Progress Association Inc AGM on Tuesday 1st August at 7.30 pm in the Courthouse. He will chair the election of officers and stay on for a chat and supper. If you feel inclined to join the Progress our fee is the huge amount of \$2.00. This is an ideal chance for newcomers and our wonderful locals to come together and get to know each other.

Pat and Hilda Griffin donated and organised our latest raffle and we thank them very much. Also thanks go to the helpers Jeff Sims, Helen Chick and Annette Waddle.

The winners are:

- 1st Ken Watson (\$50 voucher at Bardenhagens Supermarket)
- 2nd Chris Mahnken (framed print)
- 3rd Jenny Rawsley (gift box)
- 4th Kate McLeod (box of chocolates)

We raised \$402 for The Progressive newspaper printing. We thank all those who purchased tickets. The Progressive has many faithful advertisers, we would love to welcome some more local businesses to advertise. We need to keep the Progressive for the area and FREE.

I've had "THE POLE" removed from the parking area at the Lilydale Pool. It claimed many cars in Lilydale. I put \$20,000 in the Launceston City Council budget last year for new wiring in the Memorial Hall (safety) and enough money was left over to paint the outside of the Hall.

Remember, come and meet Mayor Dean on August 1st, 7.30 pm at the Courthouse.

Alderman Annette Waddle (6395 2070)
President
Lilydale District Progress Association Inc

Senior Citizens

Our winter pennants members are all enjoying their games – even the weeks when they play Monday and Wednesday night. Two Lilydale teams travelled to Ravenswood through the week for their Carnival. One of the teams came second overall (Ray, Glenys, Val and Bill). The other team won two games and lost one.

Lilydale has a carnival coming up early in August, so we would like to see some new members attend. They are fun and especially with our new yellow bowls which everyone enjoys. Our next carnival away, will be Perth on the 19th July, hopefully we will be able to enter 3 teams.

Our games afternoon which was held on the 28th May was quite a good event, we made a small profit on the day and those attending enjoyed the activities. The most popular event appeared to be "poker darts", great competition for Royal Flushes, Pairs, etc.

The Annual General Meeting for the Lilydale Senior Citizens will be held at the club rooms at 1.30 p.m. on Tuesday 8th August. All welcome.

It is with regret that we acknowledge the passing of one of the Clubs Life Members. Eileen Evans was a stalwart of the Club, being Secretary of the Management Committee 1975-79, 81-88; Secretary of the Sub Committee 1975-1988. Her sense of humour, good nature and thoughtfulness will be missed by all Members. Sincere sympathy to all her family from her friends at the Club.

Until next month, Robyn East.

Lilydale Online Access Centre

ADSL Broadband arrives at Lilydale

ADSL broadband internet is coming to the Lilydale area soon (in June according to the Telstra website). To allow customers to use ADSL, the telephone exchange must be ADSL enabled. Unfortunately, this is not the only requirement. Lilydale and surrounding area customers will only be able to connect to ADSL if their phone line to the exchange is less than about 4 km in length. (This limit is higher, about 7km, with ADSL2 but unlikely due to the extra expense for Telstra). Your phone line must also pass a quality check before ADSL is possible.

ADSL provides a cost effective fast internet connection. For \$30 per month or less (many different plans are available from many different providers) a connection capable of download speeds of at least 256k is possible. This compares very favourably to the maximum speed of 56k from a dial-up internet connection. Pay more and the ADSL speed can reach 1500k.

ADSL uses your existing phone line to provide a fast, robust connection to the internet. Your phone or fax can be used while the Internet is connected; one phone line can do both. ADSL connections can be configured for a permanent connection to the Internet.

Lilydale has gained approval for ADSL by achieving the required number of expressions of interest in ADSL on the Telstra Broadband Demand Register. This means that when the telephone exchange is ready, Telstra will commence phoning all those people who have expressed interest in ADSL, in an attempt to get those people to sign up to Telstra Bigpond ADSL. An important fact to recognise is that Bigpond is not the only possible provider. Once the equipment is installed in the exchange, essentially all ADSL service providers can use it. Telstra will be the wholesale provider but the choice of retail providers is yours.

If you currently have dialup with a particular provider then it is likely that you could upgrade your plan to use ADSL instead – provided your phone line satisfies the requirements. It is certainly worthwhile shopping around for the deal that suits you best.

Be aware that Lilydale satisfies the conditions for HIBIS subsidies for broadband. This is a Federal Government subsidy scheme designed to reduce the cost of broadband for customers in regional Australia. Be sure that your chosen service provider knows that you are eligible for HIBIS before you agree to a contract.

Most service providers sell self-install connection kits. These include an ADSL modem and several ADSL line filters. The first step in installing ADSL is to connect a filter to each phone outlet in the house. These filters have two outputs – one for an ADSL modem and one for connection of phone or fax devices. You will probably

only have one ADSL modem but you must put a filter on every outlet or the ADSL will not work.

It is possible to share an ADSL connection between several computers by using a network.

**Don't want the hassle!
Another broadband alternative is the 'Lilydale Online Access Centre'!**

Neighbourhood Watch Report

Attendance was low for this month. It may have been due to the cold nights we have been having.

We will try and get the film which is being made by the Community Road Safety Group, mentioned in last month's Newsletter, to show at one of our meetings in the future.

There is a Police File covered by the Examiner in their Thursday's newspaper which may be of interest to all of us.

Our Guest Speaker for the night was Maggie Peart, Caretaker of the Mt. Arthur Centre. It was used as a school when it was first built. It was not used for 3 years after the school closed. It is set in a bush setting and is available for hire by people of the community for functions as well as private functions. This money is put back into the centre. At the moment it is running along nicely and it is there to be used. If you wish to know any more information about the Centre you can always leave a message on the answering machine and if no-one is there to answer your call, someone will contact you as soon as possible. Public liability is hitting hard as it is in most groups.

POLICE REPORT - There is nothing to report for this last month. Also there are no suspicious circumstances to report. It has been a quiet month, crime wise. Police are checking on trail bikes and people cutting wood in the Hollybank area.

The next meeting will be held on July 13th at the Fire Station at 7.30 pm. Please feel free to come along to our meetings. You will be most welcome. We finish them with a hot drink and supper.

Mary Walsh Centre News

This month we welcomed our friends June and Jean back to the centre after absences due to ill health.

Heather, who visits regularly, led us in community singing and kept us entertained with items played on the organ. Thanks Heather we really do appreciate you.

We have been knitting warm scarves and "snakes" (draft stoppers) for the winter months ahead. We have almost completed the autumn panel of our Season's Quilt, which of course would be timely with the Winter Solstice this week heralding the end of autumn and the beginning of winter!

Early in June we headed off to Barnbogle Golf Links for lunch after spending a delightful morning meeting baby Caitlyn Poke who attended the centre with her proud parents David and Tanya and (even prouder) grandmother, Maureen.

We had an opportunity to view some scrap booking samples when Sharon Wells attended the centre to share her craft. Sharon will hold a hands-on workshop at the centre on Thursday the 29th June where, using our own photographs, we can each produce an album page, suitable for framing, for a cost of \$10.00.

We made a colourful splash at the Queen's Birthday Afternoon Tea, wearing our hats and glamour accessories. An impressive crowd presented in their finery and quite a number of royal corgis attended the fun afternoon of games. A splendid tea was served afterwards for which we thank the CWA ladies.

Jennifer Smyth and Joan Cocker also paid us a visit. We enjoyed seeing them and catching up with their news. Maria Scanlon from the Heart Foundation conducted an informal discussion on healthy eating. She offered some practical advice and recommended some easy and fun suggestions to help with weight reduction. We have been given various brochures on healthy eating, losing weight and high blood pressure. Call in to the centre if you would like one/some as we have plenty to share.

The Uniting Church luncheon, held at their new community centre at Newnham, was well worth attending. We were treated to delicious homemade soup, fresh sandwiches and various slices, served with tea or coffee. It was a chance to meet up with friends from near and far, the proceeds benefiting Aldersgate.

During July our plans include a visit to the Bush Nurse exhibition at the Queen Victoria museum, the hosting of an information session with Di Edwards from Diabetes Australia and commencement of the winter panel of our Seasons Quilt.

Please note the Mary Walsh Centre operates from 9.00am to 3.30pm. Transport can be arranged.

Weedon Real Estate

66 George St, Launceston
(03) 6331 3566

Weedon Real Estate has been successfully listing and selling properties in the Lilydale area for over 15 years and are familiar with everything our district has to offer, which is always a positive selling point to prospective purchasers.

Interested in selling without a fuss? Weedon Real Estate sold a number of properties last year on a quiet listing basis. If you consider selling this way contact our local agent for details.

Due to high demand for land, we urgently require Pastured or Bush acreages in the Lilydale area.

If you are considering selling or would like a no obligation appraisal of your property, contact our local agent Tom Dancer who has over 17 years experience in Real Estate on 63 95 1546 (AH) or 0419 369 162 (Mobile).

Football Club News

Lilydale football club celebrates 21 years in the NEFU this year and invite all former and present players, committee people and supporters to attend the game and night disco on Saturday August 5.

The Under 16's are on top of the ladder. Barry Hawes is working hard with his team and all the boys are playing a good style of football and if they keep up this consistency they should be very hard to beat in the finals. Improvement can be seen in the play of the younger boys. Barry has been ably assisted on game days by Gary Mitchell, and Chopper Cheong as goal umpire and Daniel Walsh as runner.

The Reserves are also on top of the ladder but as yet have not got a settled side. If Bruce and Alan can get a better attendance at training and on game day they should be a much stronger team which they will need to be as finals draw nearer. If it happens to get wet and boggy, the whole concept of the game will change so the sooner they get a settled team working together the better off they will be. Goal umpire Peter Baker has added some charisma to the reserves games with his goal flag antics. Good on you Bake!

The Seniors are in 2nd spot and playing with heaps of confidence. Neville and Jeff have the boys playing good running football, switching play to their advantage and tackling hard, putting pressure on their opponents. The team is very young but could turn out like Essendon's baby bombers when they won their flag.

Young local players playing well are, Kade Haines, Ben Arnold, Zac Iles and Connor Tuckerman who are all improving as the season goes on. Levi Tuthill is having a great year and has been in the top 3 best players each week. Two under 16 boys, Tom Arnold and Kade Dwyer, have been brought up into the Seniors for some games and have both performed well.

All our social events have been well attended and the live band proved to be popular with the largest crowd so far. A live band will also be playing on July 22nd when the club will be celebrating its 20 year Anniversary Premiership coached by Bill Krushka. Some of the local players in that team, David Walsh, Barry Hawes, Peter Tuthill, Gary Mitchell, Peter Baker and Tom Whiting are all still involved in the Club. All team members are invited to the game against Winnaleah and to the evening disco.

The spate of cold frosty mornings has been good for our wood sales with many happy customers returning for more supplies. Orders taken at Patto's.

All home games have had a big crowd this year. I don't know if it's because of the 'big dry' or the people are coming to see good games of football. We hope to see this attendance continue throughout the season. Thanks to all the committee people and non committee people for all their hard work in keeping everything running smoothly, making each week a success.

Karoola Playgroup

It has been business as usual at Karoola playgroup over the school holidays and the children have enjoyed playing with older siblings who have visited. The cool days have seen us running around playing field games to keep warm and the children have enjoyed craft activities in the hall. Everyone (especially the adults!) enjoyed colouring in and playing with elephant finger puppets as well as making puzzles and painting.

There is a wide range of activities planned for term 2, with outings to kids paradise and the museum scheduled as well as a picnic in City Park. The children will be kept busy with craft activities and there is even a ribbon dance and sing song planned!

We are also hosting an undercover Community Garage Sale at the Karoola Hall on Sunday the 16th of July. We hope to be supported by the whole community, so it's your chance to clear out all your old unwanted stuff and make a bit of cash for it. Sale tables (or Car boot's) only cost \$10. If you haven't anything to sell, then please come along for a look - you may pick up a bargain and light refreshments will be available. It is on from 10 till 2. Please see the advert in the community notice board in the progressive for further contact details if you are interested in having a sale table.

Karoola playgroup has welcomed lots of babies this year, so if you've just had a baby come along and join in the fun. Playgroup is for children from birth to five and their

Tasmanian Regional Arts

Thank you. Our Tenth Anniversary Lantern Walk was a great success with approximately 160 walkers. Trepidation early in the day with the rain (well needed), but the Bureau were spot on with their forecast.

Many new faces were evident this year, a sign of the changing population in Lilydale perhaps. There were also 4th and 5th year Lantern Walkers.

This was also the first walk for many of the Regional Arts

Committee members, and as 5.20 approached with very little activity to be seen, there were a few concerned looks from the 'newies'. (The old hands knew what to expect!). Then, before you know it, there are crowds of people milling around, getting candles organised, lanterns lit, littlies bundled up, fluoro vests being handed out to those 'lucky' dads selected at random to walk on the roadside.

The police car arrives and it's OFF! Then back to the Court House for the warm drinks and fire drums. The marshmallows are always a great hit, but in coffee!!! Oh yes, the kids liked them too.

We would like to acknowledge the assistance of the Lilydale Fire Brigade, the Lilydale Lions Club and Russell Forsyth of the Tasmanian Police, also Judith Arnold. Without the help of these organisations it is fair to say that the Lantern Walk would not go ahead. Thank you for 10 years of great co-operation and we look forward to working with you for the next 10. We are looking for a drummer or two for next year, any volunteers? Great night, see you all next year!

GYM UP-DATE

During Term 2 the School is expecting the gym to be open for use. Information received from the floor manufacture advises that, for maintenance and cleaning requirements, it is recommended that no black soled shoes are to be worn on the playing surface of the gym. Therefore, school policy has been set to reflect these requirements.

We are very excited with the completion of the gym and are looking forward to sharing this wonderful facility with the community.

POLOCROSSE

Representing Tasmania at the Institute of Sport in Canberra and the Tri-Series Cup in Albury are experiences I will never forget. At the AIS I had lectures on tactics, drugs, strength and conditioning, psychology, rules of the game etc. I had some of the top coaches of polocrosse in Australia. I cared for horses and played games to improve my skills.

I also visited Parliament House and The War Memorial.

At the Tri-Series Cup we practiced camp-drafting, horsemanship, dressage, polocrosse and much more before our cup games. Unfortunately we didn't win any games during the Cup but we improved in every way possible.

The following weekend I played in the Victorian Championships for the Sunbury club and made it to the semi-finals.

I had a great time away and hopefully I will be able to represent Tasmania again in the near future.

Emily McMillan

INTERHIGH CROSS COUNTRY

On Tuesday 23rd May the Inter-High cross country was held. Students performed extremely well in great conditions.

All runners put in a great effort achieving pleasing results in front of a good crowd, supported by students, parents and teachers. The senior House Captains worked hard all day and deserve a special thank you.

Congratulations to the Grade 9 Boys team who were successful in winning the team event. They were Bailey Hawes, Beau Tuthill and Jamie Sowell.

TAMAR CROSS COUNTRY

60 students from our school were selected to attend the Tamar Cross Country Carnival at Beaconsfield Primary School on Wednesday the 24th of May.

The Grade 3 boys was the first race of the day and the boys put in a fine effort with Logan Reynolds and Trent Griggs making the top 10 and coming in 5th and 6th place. Well done to all the boys who competed in that race.

In the grade 3 girls' race the whole team ran very well with the top place getter being Tahlia Norris who came in 16th.

In the grade 4 girls' race Brooke Brown-Cordell displayed a fine performance to come in 7th.

The rest of the team ran really well, with all members finishing in the top 40.

The Grade 4 boys were well represented with an outstanding run from Derrick West who took out 3rd place. Well done Derrick! He was followed by another great run from Jose Rodriguez coming in 6th place.

All of the Grade 5 girls showed great endeavour representing the School in running a great race. Fantastic runs by Caitie Hammersley, Cortney Browne and Claire Garden who pushed hard all race and placed 2nd, 4th and 8th respectively. A brilliant run by all the girls.

The Grade 5 boys ran a really strong race for the school with Brook Bullock, Nick Griggs and Jay Lockhart doing extremely well, coming in 2nd, 3rd and 4th. The rest of the team ran well putting in a big effort to all place in the first 25.

Kendell Bardenhagen (3rd) was the first Lilydale runner across the line for the grade 6 girls' team with all the girls finishing in the top 30.

Joby Reynolds came in 7th for the Grade 6 boys' team, with the rest of the team putting in a huge effort.

Thank you to all students who represented the school so well at this carnival. Thank you also to the parents who attended the day and gave great support to all our runners.

Health Notes from the Lilydale Pharmacy

Obesity

Australians are getting bigger. We are now the second biggest nation in the world, following the USA. Each year 200,000 people in Australia move from the overweight category to the obese category. Unfortunately these obese people develop medical conditions, which adversely affect their quality and quantity of life. E.g. diabetes, heart disease, arthritis (particularly in the knees which often leads to knee replacement operations.)

Losing weight is the solution to this problem but losing weight is not easy to do. It is a sad reality that for those people who successfully lose weight following a diet, 95% of them will regain the weight (with extra), so that they end up heavier than before the diet.

So, what can you do? Research with people who have successfully maintained a weight loss has shown that there is no magical diet. It is by adopting **realistic** and **sensible long-term lifestyle changes** that weight loss can be maintained. These people mostly eat foods high in fibre and carbohydrate, and low in fat. They eat breakfast every day; monitor their weight daily, and most importantly – become more physically active.

People who adopt at least one of these weight loss strategies and stick to it for at least 2 years, will achieve long term weight loss.

- Reduce the quantity of food that you eat. Maintain your normal eating habits but just eat less of everything.
- Increase exercise without increasing the amount of food.
- Have low energy drinks. Stop adding sugar to tea and coffee. Use artificial sweeteners. Drink water or sugar free cordials. Alcoholic drinks are full of energy so eliminate or reduce these.
- Cut out snacks. Eat your meals normally but cut out the food or energy drinks in-between meals.
- Cut out desserts, lollies and junk food.

There is one medication that we have found to be effective at maintaining weight loss. 'Xenical' is a capsule that is taken with meals and it stops your body from absorbing any fat that is present in the meal that you are eating. The fat is expelled in the stools. If you eat a lot of fat then the stools can become quite fatty and loose. In fact you have excellent feedback about which foods are best avoided. You soon learn about the best foods to eat, and the ones to avoid. If you choose to avoid the troublesome foods, then you can stop taking the Xenical and adopt these better food choices as part of your new lifestyle, and your weight loss will be maintained. Xenical costs about \$72 for 42 capsules.

Mt. Arthur News

An exciting new class commenced at Mt. Arthur last Tuesday. Mrs. Sharon Wells, a resident at Bangor, has started a monthly 'Scrapbooking' class. You don't have to leave the district to learn the skills and fascination of this new and exciting method of album creation.

The next class will be held on **Tuesday July 25th, 9.30 a.m. to 12.30 p.m.** (You don't have to have attended the first class to join in). This is ideal for Mothers with school age children, drop the kids off at School and come up to Mt. Arthur for an enjoyable morning with friends, learning a new skill. Not to forget Grandmothers, aunts, uncles, cousins, family friends.

Anyone with a pile of photos that they have been meaning to "do something with one day"!

The participants at the first class, went away with their first page completed, happy with their results and looking forward to the next class.

So, what are you waiting for, no petrol consuming drives to Launceston, right here on your doorstep!

Contact Sharon on 6395 4227 for further details and to book your place at the next class.

Lilydale Festival - Sunday 27th August.

Planning for this exciting event is well underway, and we thank all those who have already given us details of the stalls and displays they wish to hold. The amount and variety is truly amazing and this is already shaping up to be a very exciting event.

However, it is not too late to be involved, and there are still some community groups who, while they have voiced support, are yet to commit their plans to paper. We do need those applications as soon as possible in order to submit plans to Council and to offer places to appropriate stallholders from further afield.

So keep those cards and letters flooding in folks and get busy baking, creating, rehearsing as time is slipping away. For any additional information see Jillian at the antique shop or phone Debbie Welch on 63951565.

The next meeting of the coordinating committee will be held at the Court House on Thursday, 6th July at 7.00 pm.

The search for the packet of custard powder:

Yes, Dorothy did find the custard powder (Mary Walsh Centre news, June Progressive). Visiting the memory loss morning made me remember to use the "never fail method". I purchased another packet of powder on Thursday morning, by Thursday afternoon – hey presto – lost packet appeared in my cupboard – admittedly well obscured!

CWA Notes

Thank you to all who attended our QE 11 80th and State CWA 70th celebrations on 15th June. Visitors came from a wide area, as well as local folks. Lovely to see many who had taken the time to dress appropriately and bring their dogs – wooden, fluffy and REAL! Donations were generous, a cheque for \$170+ and many containers of cat and dog food have gone to our appreciative RSPCA.

On the morning of June meeting, Jillian Weston from Lilydale antiques and Old Wares came – we received valuations on items on show, information on antiques in general as well as having books on hand to read Lunch was shared, followed by the meeting when we made last minute arrangements for 15/6. Fifty dollars was forwarded to the Examiner Winter Relief Appeal.

Branch members will provide afternoon tea at the Mary Walsh Centre, August 4th at the opening of the travelling exhibition "Extraordinary Lives, Ordinary Women", the story of Tasmanian Bush Nursing.

Next meeting, 5th July, O.C.R, noon, lunch to share. "Reactions to medications" talk 12.30-1.30. All welcome to join us.
